

LET'S HELP EACH OTHER TO STAY SAFE

Parents must read this guidance and ensure their families follow it carefully for the safety of their children and others

This play equipment is checked regularly for damage, wear & tear and is sanitized weekly

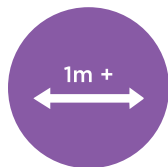

Do not use equipment if you or any member of your household has coronavirus symptoms or are self-isolating

One family member to accompany one child

It is recommended that only one child uses each piece of equipment at a time

You must maintain a social distance from others (unless they are in your household)
Advice is at least 1m +

Please try to avoid busy times and ensure you keep distance if it is busy

When using the equipment please avoid touching your face

Encourage everyone in your family use hand sanitizer regularly; and always before and after using the equipment

Please use the bins provided or take your litter home with you

Please ensure you wash your hands as soon as you are home

Please wear a mask where possible

To enable as many children as possible to use the equipment please limit use to 5 minutes at busy times

Consumption of food and drink within play areas is not permitted
