

EAST HOATHLY with HALLAND PARISH COUNCIL

Meeting of the Full Council on 26th September, 2022 at 7.00pm.

MEETING MINUTES

In attendance: Cllrs. Bradley, Cole, Freezer, Magness, Partridge, and Pope (chairman).

Also participating: Malcolm Ramsden (clerk), Verne Heath (rfo) (via Zoom) and five members of the public.

AGENDA

1. PUBLIC PARTICIPATION

Members of the public are welcome and encouraged to attend. The first fifteen minutes of the meeting will be available for the public to express a view or ask a question on relevant matters on the agenda. The public and members of the press are also welcome to stay and observe the rest of the meeting (subject to any items considered as confidential within the terms of the Public Bodies (Admission to meetings) Act 1960).

Members learnt from the Roadside Wildflower Verge co-ordinator that applications had been sent the County Council seeking wildflower verge status for the three verges in the parish that had been previously agreed by Council. Clerk to chase progress. Dependent upon a satisfactory response the next steps would be to publicise on the facebook page and seek interest from possible volunteers.

In response to a question from a resident regarding the potential provision of warm spaces in the parish Chairman mentioned that the pavilion might not be the most suitable venue but that Lydfords had responded to an approach from Council and could possibly set aside a warm space for up to 12-15 people one afternoon a week. Members noted that the village hall would be a possible venue but that existing booking commitments might rule this out. Cllr. Bradley suggested something along the lines of the recently disbanded lunch club. Chairman stated Council would be most keen to financially support appropriate solutions and agreed to seek expressions of interest and possible numbers of people that might wish to benefit and review at Council's next meeting.

A resident, on behalf of Village Concerns, asked that Council consider a response to the 'Hesmonds' planning application including references to obtaining details of on-site parking and restricting access roads to avoid the village centre, changes to the proposed pocket to the right on London Road, uncertainty regarding sewage outlet capacity, tree protection plans, lack of effective consultation and that the proposed transport plan does not acknowledge the proposed changed access. The resident went on to express Village Concern's concern at the District Council handling of the 'Hesmonds' section 106 agreement.

2. REPORTS FROM COUNTY AND DISTRICT COUNCILLORS

None received.

3. DECLARATIONS OF INTEREST

Members are invited to make any declaration of personal or prejudicial interests that they may have in relation to items on the agenda and are reminded to make any declarations at any stage during the meeting if it then becomes apparent that this may be required when a particular item or issue is to be considered
