

Jubilee Meadow, East Hoathly

Further to recent comments on Facebook claiming an incorrect cost figure, the Parish Council can confirm the total expenditure to date for the wildflower area at the War Memorial Sports Ground, known as the Jubilee Meadow.

From October 2022 to date the Parish Council has spent £1914 of which £319 is recoverable VAT, so there is a net expenditure of £1595. The Parish Council is currently reviewing the wildflower meadow and is taking advice following the poor display this year. The wet spring and poor summer weather has not helped.
